The Chicago Calumets, representing the Knights of Columbus of the Illinois metropolis, took the measure of the local K. of C. team at League Park yesterday afternoon, when they defeated the locals in an interesting game by a score of 10 to 6. The men from Chicago were better versed in the angles of the game than the local players although the St. Louis boys put up a sood game.

Chicago showed superior form at the ba and in the field, but the local team had the better base runners.

Joe Quinn, the former major league star. played second base for the St. Louis team and covered himself with glory.

At bat, Joe was the "whole show." He pounded out a triple, double and single. Joe made a sensational catch. He ran fully twenty yards after a twisting fly and landed it. Joe was cheered to the echo for the play.

Kinsella who caught for the locals, put up a star game. The big fellow took everything that came his way in good fashion.
